PIPESTONE CREEK

TO HOLD DANCE JUNE 23

PIPESTONE CREEK, June 15.—The first barn dance of the season at Pipestone Creek will take place on Wednesday, June 23. Admission, 25 cents. Ladies dress admitted free and are asked to bring a cake.

This promises to be an all-night affair. The left will be decorated for the occasion and several handies will help to make light and cheerful surroundings.

CONSIDERABLE IMPROVEMENT MADE ON ROAD

Considerable improvements have been effected on the road between here and Wembley. It is hoped that rain will be sufficient to set the new grade before the dance.

The appreciation of the neighborhood in the improved road is shown by the efforts of many who are engaged in the arduous work of clearing the road and the road. A great deal of this work is being done by those who are anxious to pay off taxes.

ALONG THE WAPITI

By Junius

ALONG THE WAPITI, June 15.—After ten months on holiday, I am again, by request, sending some scraps of news once in awhile.

This district is in common with other districts, would welcome a 24-hour rain. Everything in grain and garden needs it badly.

Our hats are off to Bert Besant and the officials of the school field and track events held at Grande Prairie for the interest they have taken in promoting sports for the youth of Grande Prairie.

There is nothing will repay any town or city as much as the encouraging in every way possible clean, pure sport, building up the youth, and that town or city teaches them to play the game, to smile when they lose, to be fair and square in other phases of life.

Youth will have its fling—let them have it on first-class sports grounds with good supervisors over them. This is where the town or city fathers come in. Go out of your way to supply the need for these grounds and your facilities for winter sports, and your juvenile delinquency will be nil. It is the fault of the parents and the Association of that town and supply a skating rink as well as a curling rink.

Our congratulations also to the officers of the Monks' Park Highway Association. That effort is one of the finest planning projects I have encountered in my 30 years in the West. May every success attend their efforts.

I remember standing in front of the Grande Prairie Hotel years ago when the first partitioned car arrived from Edmonton, after many hardships, some of them making a few miles a day. That trip was the start of your present highway, such as it is, connecting you with Edmonton, and this blessing of the trail to the highway in B. C. will be the start of your Coast Outlet Highway, and if we cooperate, the B. C. coast and all of this country as well, it will soon be an accomplished fact. So hoist for it and help in any way you can. In any case, do not knock.

Again, all honor to Alex Monkman, the officials and all co-workers in this most laudable object.

In passing, am glad to see that Alex Monkman was elected president of the Oldtimers Association.

Mrs. John Van Hemert and children left on Tuesday's train to join her husband, who has acquired property at Nelson, B.C.

Mrs. Wm. Davis arrived home Sunday from the Municipal Hospital, with her bounding baby boy.

Mr. White had at last located his horse. It was in the Flying Shot pound.

Ralph Johnson of Dimsdale has the contract to brush 40 acres for Mrs. Feeble on the old Ross place, and the way the game is swinging axes it will not be long before it is completed.

Bill Davies, H. Huel, Dave White and Berg are on the job along with Ralph Johnson. George Stevens will break it.

Quite a bit of road work being done along the river. Ross Beatty, in last division, was down last week and W. McLevin of our division was down last week.

The Gaidler brothers are brushing the road between here and a good job.

M. C. White of Canterbury, England, late years in the frozen north, is visiting at J. C. Maclean's. Chris says: "You visit Mac and he puts you to work."

Mr. and Mrs. J. C. Maclean celebrated their fourteenth wedding anniversary Sunday last on the banks of the Wapiti. Numerous guests were present and had a most enjoyable outing.

Rapelite Koenig, who died last Sunday after a long illness, was buried by the Wapiti Tuesday.

Mrs. J. C. Maclean, who has been very much under the weather in the last few days, is feeling better and is expected to be home soon again.

Mrs. White has the best garden in this district. I do not know what she has in her garden but I do know she had a good half hour rain three weeks ago about one mile square and she has a good garden.

In closing, we figure Grande Prairie is a very lucky town. Judging by the caliber and initiative of their young people. Starting the Flying Club and the Flying Club, and under the able instruction of J. W. Neil, having re-opened interest in the Wapiti, and have instructors and quite a few learning to fly.

The articles in The Tribune re flying are most interesting.

ALONG THE WAPITI, June 16.—Several of the children took in the big parade, and Mr. McArthur, who was Saturday, Mr. N. Schneider gave his truck to convey the children there. Mr. Bert George driving it, accompanied by Mr. Spaulding and Mr. Mitchell.

Congratulations to Mrs. W. Davis on the birth of a son.

Municipality road work has commenced on the highway in different parts of the community.

Mr. Cook expects to have two more trucks work at his sawmill on the Wapiti.

Miss Nancy Wood celebrated her birthday on May 28. Names of the little guests present were: Pat Watts, Annie Harker, Ralph Harker, Hilda Harker, John White, Agnes White, and Janet White.

There and their sweet voices expect to leave soon after their sale to join Mr. Van Hemert, who has located on the trail to the highway in B. C.

The weed inspector passed through on his rounds Saturday.

We are sorry to report that Mrs. J. C. McLean is under the weather and is having treatments at the Grande Prairie Municipal Hospital.

Our central storekeeper is erecting a fine large warehouse 20 ft. by 20 ft. to keep pace with the growing business of his store along the Wapiti. John McCullough and sons have the contract.

Ernie Nelson, who has been working for F. H. Johnson for the past few days, left for Kamloops on Tuesday's train, where he intends to work at the building trade.

Eddie Johnson is the proud possessor of a bicycle and he had to hard to make it understand "Whoo!"

Mr. George A'Hern was a visitor at the Woods home Monday afternoon.

TO TAKE ANOTHER PARTY OF BOYS OVER TRAIL

Count Nicholas Ignatieff This Year Will Take A Larger Student Party Through Mountains

HEAVEN LODGE, June 12.—A letter received by W. D. Albright from Count Nicholas Ignatieff, who features in history at Upper Canada College, Toronto, mentions that it is this year taking a second and larger party of boys south from here through the mountains, with Bert Osborne again as guide.

The party of 28 or 29 boys, with their masters and a doctor, hope to reach Wembley or Beaver Lodge on Tuesday, July 6. If the train is on schedule, Mr. Ignatieff would like the party to look over the Experimental station and travel by truck to Herman Tiedler's, then on down to Wembley. Otherwise the second day may be devoted to sight-seeing.

The party is taking along a full set of survey instruments as well as a radio, transceiver, and a full set of surveying tools to learn of any amateur operators in the Peace who might be interested in keeping in touch with the party.

The trip is to finish at Fort St. John, all the way to the Yukon, and then prospecting and fishing in the mountains.

JACK GOYNE'S EXPERIENCES

REAL DUST STORM WHILE ON TRIP TO THE OUTSIDE

Jack Goyne proprietor of the Goyne Hotel, here, seen by The Tribune correspondent on his trip to the outside, said that while motoring from factor to the international boundary, he experienced what was termed by oldtimers as being the worst dust storm they had ever seen in that part of the country.

He said he was so interested in the trip that he did not turn the lights on in the day time in order to proceed, and even then it was difficult to make headway.

Asked about the crews, Mr. Goyne said that he had a crew of men, and as far as the crew was concerned, they were not having any trouble.

FREE MOTION PICTURE GIVEN BY GENERAL MOTORS AND ALLEN & DAVIS WAS POPULAR

The free motion picture presented by General Motors and agents Allen & Davis, held in the Victory Hall, attracted a crowd that filled the hall to capacity.

The audience was taken through the process of manufacture from the molten metal to the finished product. Each step in the interesting process was explained by a representative of the company.

Additional attractions were a Mickey Mouse and a showing of the latest fashion in ladies' furs.

GOOD ATTENDANCE AT W. I. HEARS CONVENTION REPORT

BEAVER LODGE, June 15.—The W. I. met at the home of Mrs. James Proud on Wednesday, June 9, with quite a large attendance.

Mrs. Wishart, Mrs. Morrison and Mrs. Thomson were visitors from Grande Prairie. Mrs. Wishart bringing the report from convention in Calgary. The report was very much enjoyed by all present.

Rathbun Proud then gave a vivid solo and Bertha and May McDonald sang a duet. Alma Proud was the accompanist.

The next meeting will be held in September, at the home of Mrs. Bert Little.

BEAVER LODGE DEFEATS HYTHE

The Beaver Lodge baseball team played Hythe on Monday afternoon and took the visitors into camp with a score of 9-7.

W. A. TO HOLD ICE SOCIAL SOON

The W. A. of the United Church met at the home of Mrs. D. C. Hume on Tuesday, the 15th, with nine ladies present. It was decided to have an ice social some time soon.

Mrs. Bond has kindly given the use of her lawn.

Alan, elder son of Mr. C. Loring, was taken to the Municipal Hospital last week, suffering from pneumonia. Last reports were that he was a little better.

Dr. Nixon took the married couple into camp on Monday night with a score of 8-6.

WEMBLEY NEWS

School Concert Program Was Very Good

Audience Delighted With Splendid Entertainment Of Musical Festival Numbers And Two Plays

WEMBLEY, June 15.—The audience at the concert given by Wembley Public School pupils on Friday of last week were more than delighted with the splendid entertainment.

The opening numbers were two choruses by the Intermediate pupils brought back with them the Rhineland for their division and also the Mona Cook Memorial Trophy for the best musical performance in the recent Musical Festival. The fact that this group holds these trophies signifies that their performance was of the highest order.

In quick succession came recitations by Gordon Stewart and Helen Hutton and a piano solo, very pleasingly rendered by Mary Hutton. The fairy-like children of the primary division then entirely captured our hearts by their charming and their sweet clear voices.

The Junior boys also gave a very fine chorus. These ladies composed the first time in the May Festival of this year and they succeeded in capturing a second class certificate.

The Intermediate girls, with their chorus work, we predict a first trophy for them in the near future.

The dancing and singing was under the capable direction of Miss Mary Clifford, who deserves great praise for her untiring efforts in bringing these pupils to such a splendid state of proficiency.

The two plays, "The Ratsbrook" and "The Ratsbrook," were of a high order. Written by Intermediate pupils for presentation by their own division, they were very well managed and directed by William Larson and Margaret Piche, two students of the school.

The acting was well done and the audience was kept in fits of laughter by the first play, Douglas Johnson, in particular, is to be complimented on the able way in which he took his difficult part.

"Old Slouch," a gruesome, creepy blood-curdling play, was well done.

39,000 Truck Owners

Can't be wrong

THEY BOUGHT CHEVROLET Trucks

IN Canada, there are, it is estimated, about 39,000 owners operating Chevrolet trucks. Some are individual operators, others control whole fleets.

In the hands of these men, Chevrolet trucks are daily demonstrating the stamina, dependability and economy which General Motors builds into them on special truck assembly lines. They are establishing outstanding performance records.

With so many owners getting so much satisfaction from Chevrolet commercial vehicles, perhaps you, too, would find it to your advantage—and profit—to investigate the 1937 line. In it there is a low-priced model for every purpose.

Talk it over with your Chevrolet dealer—now! He is prepared to make a liberal allowance on your present truck or trucks . . . and to arrange convenient financing through the General Motors Instalment Plan.

RURAL PUBLIC HEALTH CONTEST

Rural Public Health has never received enough consideration in Canada. Some provinces have done better than others. Most of the counties in the west have made a good record. In other provinces there are few full-time Medical Officers of Health, and here and there we have good public health workers.

The contest is to give to all rural areas in the Dominion of Canada which have a full-time Medical Officer of Health, a chance to show what they can do. The work will be under the general direction of the Canadian Public Health Association's Committee on Rural Health.

FARMER HELD FOR WIFE'S DEATH PULLING PLOW

Death of his frail 34-year-old wife from over-exertion after being forced to pull a plow over "new ground" on their farm near Woodbury, Tenn., resulted in the arrest of John W. Davis for her murder. Authorities also charged Davis with having performed an illegal operation on his wife shortly after she and their son, Charlie, had been hitched to the "bull-tongue." Davis, shown in jail, admitted using his wife as a plow horse, but denied performing the operation. Charlie and two other Davis children are pictured demonstrating how he was forced to pull the plow.

DEADLOCK THREATENS TO PROLONG STEEL STRIKE

Uncompromising positions taken by both sides in the strike by the C.I.O. when three major steel companies refused to sign union contracts resulted in a deadlock which threatens to prolong the tense fight. Bitter denunciation of Republic Steel Company officials by John L. Lewis, C.I.O. head, following the death of six pickets in a clash at the South Chicago Republic plant, was followed by an ultimatum of Tom Girdler, Republic president, that the corporation would not sign a contract. Meanwhile strikers continued to picket Republic offices in Cleveland, below, and company plants at Warren and Niles, where aeroplanes were used to land emergency food supplies to besieged non-strikers.

BANDAGED STRIKERS IN COURT AFTER LABOR WAR

This unusual close-up of four of the 40 strikers who were charged with conspiracy after the three Republic Steel Company battle in Chicago, in which six men were killed, provides graphic evidence of the bitterness of the clash which left these and others seriously injured. While company officials blamed communists for the riot, Van A. Britton, Chicago regional director of the C.I.O., charged company police with precipitating the clash, and denied there were any but Republic workers in the union.

SACRIFICING THE FOREST

Ten Acres in Stanley Park, Vancouver, Being Cleared

To thousands of Vancouver people the sound of axe and saw, now busy in Stanley Park, will bring pangs of regret. It is always a sad thing to see a great forest tree sacrificed, but when it is an old friend that goes down, the sadness is accentuated. And old friends are falling today in Stanley Park. There is no help for it, of course. Progress demands that a bridge shall be built across the Lions Gate to the north shore and there is no other site for the southern bridge-long save in Stanley Park, no possible thoroughfare save across the park. This means the cutting and building of a new road a mile or more long and that means the sacrifice of ten acres of forest—Vancouver Province.

TEN MINUTES OF SUNSHINE

All One New York Apartment Gets In A Year

When the morning of May 12 is a clear one, the sun briefly illuminates the bedroom of a dentist named Dr. Ruyl, starting at about eight in the morning and continuing for 10 minutes. This happens only once a year. On other days the buildings surrounding the Ruyls' apartment at 24 Monroe Place, Brooklyn, cut the sunlight completely off. May 12 is a big day in the Ruyl household. Dr. Ruyl and his wife get up early, roll up the curtains and watch the little sunbeams creep across the bedroom floor. Then the doctor has breakfast and goes to his New York office, as happy as a dentist on his way to work can be. The New Yorker.

Mayor Tooley . . .

(Continued from Page One)

Among the most important questions discussed by the 75 representatives in attendance were general taxation and relief.

While in the Capital City, Mr. Tooley met with Mayor McConachie, president of the United Air Transport, who assured him definitely that Grande Prairie would be on the Edmonton-Vancouver route, the schedule for planes being one hour and forty minutes from Edmonton. There will be two planes a week each way.

Mr. Tooley also expressed appreciation to the Mayor of the big improvement at the Grande Prairie airport and will be here shortly to give his advice on the location of a wharf at Bear Lake to be used by hantow planes.

While in Edmonton Mayor Tooley took up the proposed water and sewerage system with W. Sharpe, M.L.A., who stated that the Municipal Hospital Board would be meeting later in the month to consider the town's proposal for sewerage connection.

Further data was obtained from the Utilities Board in regard to the by-law which is now being drawn up for presentation to council at its next meeting.

Grande Prairie Defeats Beaver Lodge 16 To 9

On Saturday evening last Beaver Lodge beat Tooley's team in a nine-innings game with Grande Prairie on the latter's diamond and the Prairie won by 10 to 9.

The visitors failed to tally till the sixth innings, when they put two men across the plate. During the same time the home team scored eight runs.

Due to timely hitting by Grande Prairie and costly errors by the visitors, the eighth innings proved disastrous to Beaver. The home team driving in eight runs.

There was a wild-eyed crowd to see the game. The following box score tells the story:

Grande Prairie . . . 330 101 000-10
Beaver Lodge . . . 000 002 034-9

Beaver Lodge—Cameron and Bobbie Hume and Carter.
Grande Prairie—Murray and Crumby.

Herb Speer, umpire.

GRANDE PRAIRIE DEFEATS WEMBLEY SUNDAY AFTERNOON

On Sunday afternoon Dr. Haynes' baseball team, defeated Wembley and engaged the Wembley ball team in a nine-innings game.

Put Squares for Wembley furnished one of the highlights of the game when he started the game with a two-base hit and later knocked out two home runs.

Another highlight of the game was supplied by Grande Prairie in the seventh frame, when they went on a hitting rampage and scored nine runs.

The following is the box score:
Grande Prairie . . . 020 002 000-13
Wembley . . . 000 001 200-8

Wembley—Robertson, Squares and Robertson.
Grande Prairie—Dick and Crumby.

Local Riders To Compete In The Calgary Stampede

The following local riders from the west area passed through Grande Prairie on Saturday morning to compete in the coming Calgary Stampede.

Willis Schirmer, Ernie Ferguson and Pete Wagner.

The boys informed The Tribune reporter that they expected to be gone at least a month and a half, during which time they would take in the various stampedes on the outside.

The boys are all well-known riders and should give a good account of themselves.

The riders were accompanied by Mrs. Schirmer.

At the 19th Hole

Richmond Hill golf course had a good attendance last Sunday. The day was ideal, with a slight cool breeze blowing. With the course in first-class condition, the majority of players bettered their cards by a few points.

One of the best, however, learned that it pays to keep on the fairways when the grass is long in the rough.

Gordon Gray and Francis Donald played a challenge match against Clay Hutchart and Jim Evans and won the match by a few points. Gordon Gray had the low card for the match, a 41.

Another player broke the forty mark on Sunday. Larry Cobb, who has been playing steady golf, stroked his way around for a 39, getting a birdie on hole three. He also had cards of 41, 43, and 44 on the day's play.

George Duncan was paired with Cobb against A. R. McMillan and Bob Waddell. The latter were down quite a few points. Duncan's best card was a 40, also returning 41 and two 43s. McMillan's best card was a 44. Waddell's a 42.

The postponed two-ball mixed foursome, which was played on Wednesday under ideal conditions but with a very poor entry. First honors went to Gordon Gray and Mrs. Simpson.

Wembley, who turned in a low card of 48. Bill Hall of Sackville, paired with Mrs. Herman Trade of Wembley, came a close second with a 49.

Sunday next will be a big day at Richmond Hill, as the winner of the beautiful trophy, winning with cards of 43 and 44 with a handicap of 8, making an 81 net.

All honors must be played by Sunday evening. The draw will be posted at the club with handicaps. Get in touch with your partner and make arrangements when to start.

PROGATION OF LEGISLATURE PLANNED FOR THURSDAY NIGHT

EDMONTON, June 17.—Proclamation of the third session of the Alberta legislature is planned for Thursday night.

The house will swing into legislation when it meets Thursday. The order paper contains some 25 bills, many of them being minor amendments.

Government members were confident that proclamation would take place Thursday. In all likelihood this would be carried out at a night sitting as it was felt unlikely that legislation could be disposed of at the afternoon sitting.

At the conclusion of the program everyone adjourned to the home of Mrs. Archer, where supper was served in the beautiful grounds.

The annual business meeting of McLaughlin Baptist Church, Grande Prairie, was held in the church on Friday evening, June 11, with a large attendance. The business meeting was presided by a most defensible supper. While still seated around the tables, hymns were sung and testimonies given.

Favorable reports were presented by the members of the church. The progress made during the past year. This report was indeed gratifying to the members.

The main item of business pertained to enlargement of the building for June 12 to 13.

Rev. and Mrs. Baxter, who have been serving as the church's spiritual leaders, were commended for their work in this field.

Mgr. Of Canadian Fairbanks-Morse Visitor To G.P.

is Accompanied By G. W. Ballard, Salesman, and R. Tompkins, Divisional Manager Sealed Power Corporation.

H. A. Garrett, manager of the Canadian Fairbanks-Morse, accompanied by G. W. Ballard of Edmonton, salesman, and R. Tompkins of Winnipeg, divisional manager of Sealed Power Corporation, with factory at Muskogee, are business visitors in Grande Prairie and district.

Interviewed by The Tribune reporter, Mr. Garrett in answer to a question said that business has been very much better this year than last, and this, he said, was true all over Canada.

Mr. Tompkins, who represents a company which possibly manufactures more piston rings than any other company in the world, stated that the company factory was producing 300,000 piston rings per day for the motor market.

Mr. Ballard will remain a month in the Peace River.

A luncheon was held in the Donald Hotel on Tuesday night which proved highly interesting and instructive.

Among the subjects discussed were: "Motor Motor Reconditioning" and "The Motor in the Home and Factory Methods."

Fifty-Five People Visited Camp Two On Sunday Last

WEMBLEY, June 15.—Some eleven cars and their occupants, to the Muskogee trail and visited Camp No. 2 on Sunday last.

The trail visitors' book showed 55 registered.

The trail blazers on Sunday were close to the R. C. boundary and by another week expected to add considerable to their mileage.

All games will be played on that day. Eighteen holes, medal play.

The Dundup Handicap Tournament will be played off on Sunday, June 20.

W. Dick is the present holder of the beautiful trophy, winning with cards of 43 and 44 with a handicap of 8, making an 81 net.

All honors must be played by Sunday evening. The draw will be posted at the club with handicaps. Get in touch with your partner and make arrangements when to start.

Record Attendance At W.M.S. Rally At Wembley

Representatives From Albright, Hythe, Hantow, Grande Prairie And Clairmont There And Enjoyed Splendid Program.

WEMBLEY, June 15.—Fine weather, good program and record attendance all contributed to the success of the Presbyterian Rally of the Women's Missionary Societies of the Grande Prairie district. Representatives from Albright, Hythe, Hantow, Grande Prairie and Clairmont met in Wembley United Church on Thursday, June 10, for an annual meeting.

Mr. J. Archer, president, presided in his usual gracious manner. Calligraphy and Mrs. H. H. Hantow, secretary, read the report of the year. The report was a most interesting paper on the topic "The Son of Man Came to Destroy Men's Lives but to Save Them."

An entertaining sketch, "A W. M. S. Story," was given by the report of Conference Branch Mrs. Sedore. Mrs. Sedore's report was a very fine comprehensive account of the various activities of the provincial organization.

HAZELMERE NEWS

HAZELMERE, June 16.—Mrs. W. H. Walker took her mother, Mrs. E. Williams, to Edmonton on Tuesday's train, where Mrs. Williams will take treatment for stomach trouble.

Hello, Hazelmer! We see you are in the news again. Where have you been? Fishing?

Crope in this area are beginning to suffer for lack of moisture.

The Monkman Pass trail blazers are working fast. Last report they were at the top of the mountain.

Mrs. T. R. Elliott is leaving on Friday's train for Edmonton where she will take treatment for throat trouble.

Mrs. T. Kinnman has not been well lately. Hope she is feeling better now.

MANY EDMONTON PEOPLE PTOMAIN POISONED

EDMONTON, June 17.—Thirty-three persons, including six women, were receiving treatment in four Edmonton hospitals Thursday for ptomaine poisoning, believed to have resulted from eating tainted head cheese.

One of the victims was reported in a serious condition late Wednesday night but had made a strong recovery by Thursday noon.

Dr. R. B. Jenkins said at least 40 other persons were known to have been stricken but were treated by doctors in their own homes.

All the others were believed out of danger, though doctors were watching their symptoms closely. In almost all cases quick action with stomach pumps was credited with saving lives after the sufferers had been rushed in agony to hospitals in taxis, ambulances and private cars.

Workers at the Provincial Laboratory at the University Hospital still were analyzing samples of the suspected head cheese when 28 new cases were reported Wednesday night.
